**Subject:** LRB redraft request

Peter,

Representative Rhoades would like to have LRB 1883/3 (2001-2002 session) redrafted. Could you also include the provisions of LRBa0308/1 from 2001-2002. I believe that this amendment was introduced by Rep. Sinicki, and would include Milwaukee County in the bill.

Thank you in advance for your time. If possible, could you please let me know an approximate timetable on getting a draft of the bill. The Representative would like to get this moving as soon as possible!

Thank you,

Kevin Moore

*in any county*

***Analysis by the Legislative Reference Bureau***

Under current law, in a county with a population of less than 500,000, a school board may require periodic health examinations of pupils by physicians. This bill allows a school board to require that a pupil be examined by a physician only if the school board provides a schedule of examinations to the pupil's parent or guardian at the beginning of each school year and obtains the written consent of the pupil's parent or guardian for a specific examination. The school board may conduct an additional examination if it provides the pupil's parent or guardian with a revised schedule and obtains the written consent of the pupil's parent or guardian to conduct the additional examination.

For further information see the **local** fiscal estimate, which will be printed as an appendix to this bill.

***The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:***
